**We will be using bus ROUTE numbers this year instead of bus numbers to identify our buses. Although you will still see a number on the bus, your child will be assigned a route number and that will stay the same throughout the year no matter the actual bus number. Please help your child memorize the route number for his/her route.**

**Please make sure your child is at his/her assigned bus stop before the actual pick up time. We need a window of time to ensure we pick up each child for which we are responsible. Students who are not visible when the bus arrives at the stop are considered absent from the stop and may not be picked up. Please allow 10 minutes on each side of pick up time for early arrival or delays.**

**Times and routes may be adjusted after school begins to accommodate new students or to adjust for students that are no longer attending school. Thank you for your cooperation and patience.**
